May Manton Pattern Service

$4499 Dressing Sacque in Jumper Style, Small, Medium, Large

Dressing Sacque in Jumper Style 5499

Dressing sacques made in what is known as jumper style, that can be slipped on over the head without an opening, are greatly in demand just now and have the great merit of simplicity. This one is graceful in its lines and a bit suggestive of the choice boy's coats while it is characterized for in the illustration it is made of ring dotted lawn, finished with a little frill of embroidery and with a band of solid, but while the beading or a facing, in which ribbon can be inserted is essential, the finish can be anything that may be liked while pretty soft challies and albatross are quite as appropriate as cotton materials, and are often used a bit better for this reason.

The dressing sacque is made with front, back and sleeves. The sleeves are joined to the front and back after which the underarm seams are closed. The ribbon inserted in the beading or casing is drawn in the size at the neck.

The quantity of material required for the medium size is 3 1-4 yards 27, 2 1-4 yards 36 or 1 1-2 yards 44 inches wide with 3 yards each of edging and beading.

The pattern 5499 is cut in three sizes, small, medium and large, corresponding to 32, 36 and 40 inch bust measure.

Orders for the pattern must be sent to Pattern Department, The Saratogian, Saratoga Springs, N. Y., with an enclosure of 10c (silver or stamps) to cover the cost of handling, including postage.

Patterns will be delivered as soon as possible after the order is received. The number wanted must be filled out clearly and correctly to insure prompt attention.
