BUFFALO TO NEW YORK-80 MINUTES BY CANNONI Back in 1825, when the waters of Lake Eric first flowed into the Eric Canal, the exciting news was relayed to New York by cannon spaced along the canal and the Hudson River. The time: 1 hour, 20 minutes. Exciting news today in Upstate New York is natural gas, America's most modern fuel, which does a clean, fast job of heating, cooking, supplying hot

'MY WIFE BAGGED THAT ONE!" Gone are the days when you have to feed the furnace by wielding a heavy shovel. With natural gas, you don't go near the furnace. Just set the thermostat, that's all. Women like it because it's clean. . doesn't soil curtains and slipcovers. And while the price of everything else has gone up, up, up, Nisgara Mohawk natural gas remains one of the biggest bargains you can buy!
