When Jack's ashore he's liable to be going several places at once! But there's one thing Navy men can get together on—whether in Hong Kong, Seattle, or Newtown Center: *Taste* is what they want in their cigarettes—the taste that comes from milder and better tobaccos, and from nothing else! They know their cigarettes, these men of the fleet. That's why Chesterfield is the Navy's choice!

Good old KEMPS MILDAM for that Cough when you can smoke any old cigarette

FOR NINETEEN years, our Research Department has kept intimate touch with every new development of science that could be applied to the manufacture of cigarettes. During this period there has been no development of equal value or importance to the smoker which we have not incorporated into the making of Chesterfield cigarettes.
