Light Draws Business

As a candle draws moths Von will always find the crowd where the light is brightest. The street, store, theatre or square that is best lit will have the people. An investment in light is one of the cheapest and one of the most profitable that a business man can

The purpose of the Saratoga Gas, Electric Light & Power Co. is to supply light-light in its most brilliant form, light in its most convenient application.

There is no spot in Saratoga that is not reached by our system. There is no business that cannot be benefited by using it.

Many businesses require, in addition to light, power. The service which supplies the light supplies the power. From the theatre to the smallest night light, from the greatest factory to the smallest sewing machine, the Iludous liver service is at your service.
