What Can You Do For The Pains Of Rheumatism?

Pain Ended In Few Minutes, This Way

It has now been discovered by the scientific method that the cause of rheumatism is the accumulation of uric acid in the blood. This is caused by the failure of the kidneys to eliminate the uric acid from the blood. The result is a condition known as rheumatism. The pain is caused by the uric acid crystals which are deposited in the joints. The pain is often described as a "stitch" or a "stab" in the joint. FEWER SCHOOL DAYS LOST DUE TO COLDS

REMARKABLE RESULTS OF NEW COLD-CONTROL PLAN OF SPECIAL INTEREST TO PARENTS AND TEACHERS

Last winter, comparative tests of Vicks Vapor for better control of colds were made among 600 children in nine schools. A group of 400 of these children, who had followed the plan, lost a total of 400 school days, as against 1,000 school days lost by the other group of 200 children. This is a saving of 600 school days, or 300 days of school work. This is a saving of 600 school days, or 300 days of school work. This is a saving of 600 school days, or 300 days of school work.
