One of the Important Duties of Physicians and the Well-Informed of the World

It is to lashes us to the relative standing and reliability of the leading manufactur- ers of medical agents, as well as to the quality of the goods that they deliver. One of the utmost quality and perfect purity of remedies prescribed by them, and it is well known to physicians and the Well-Informed of the World that the California Fig Syrup Co., by reason of its correct methods and perfect equipment and the usual character of the product has attained to the high standing in scientific and commercial circles to which it is apportioned to successful and reliable houses only, and, therefore, that the name of the Company has become a guarantee of the quality and purity of the product.

TRUTH AND QUALITY

appeal to the Well-Informed in every walk of life and is essential to permanent suc- cess in the production and distribution of medicines. We are not alone in this respect, but are in constant competition with others. In the present state of affairs, there are many remedies of which the names are unknown, but which are more widely used than Fig Syps, and which are sold under various names. These remedies are not always of the same quality or purity. They are not always reliable or efficacious. They are not always safe or harmless. They are not always designed to meet the needs of the sick. They are not always designed to meet the needs of the well.

This valuable remedy has been long and favorably known under the name of Fig Syrup and has attained to world-wide acceptance as the most efficient and the most successful remedy for all complaints of the stomach and intestines. It has been used by physicians and the Well-Informed of the World as a remedy for all complaints of the stomach and intestines. It has been used by physicians and the Well-Informed of the World as a remedy for all complaints of the stomach and intestines.
