Best For Your Money

A subject every housekeeper is interested in—getting the most and best for the money—no matter whether it is... CARPETES

Or anything in the Dry Goods line—you want the best quality at the lowest prices.

For over a quarter of a century the members of this firm have sold Carpets to the citizens of Saratoga County—more Carpets and better Carpets than any other firm.

There must be a reason for it. Ask anyone that has a carpet bought of us. Did it wear well? Was it as represented? It gave entire satisfaction or we made it right if we knew it.

YOU MUST HAVE CONFIDENCE

In some one when buying carpets, for you don’t buy them often enough to become experts. But we buy what we sell, and if this will not most likely give you good satisfaction and we advise our customers accordingly. Once a carpet customer at our store always a carpet customer.
