New Battlefield Markers
As Result of Tour
By Historical Society

An important result of the four-day tour
of the Saratoga Battlefield, conducted by
the Historical Society of Saratoga County,
was the installing of new markers. The
Tour Committee had arranged with the
Historical Societies of New York, New
Jersey, and Connecticut to exchange
markers in each other's state. The Sarata
g County Historical Society was visited
by members of the New York Historical
Society, under the leadership of Mr.
Alexander Ross, President, and
Mr. John J. Fowle, Assistant Secretary.

The tour of the battlefield was
accompanied by speeches by Mr.
Alexander Ross, Mr. John J. Fowle,
Mr. John H. Badger, President of the
Saratoga County Historical Society,
and Mr. W. B. Babcock, Secretary of
the Historical Society of Saratoga
County.

The tour was started on Friday, Octo
ber 29th, by the Historical Society of
Saratoga County, with Mr. Charles
Babcock, President, and the tour
commenced at 9 a.m.

The tour proceeded to the site of the
Battle of Saratoga, where the
markers were installed. The new
markers are of bronze and are
inscribed with the names of the
heroes of the battle.

The tour was a great success and is
expected to bring more tourists to
Saratoga in the future.
