HOME GARDENING LESSONS

The Department of Agriculture is conducting the following free garden lessons at the New York State Fair, during the summer season. The lessons are designed to educate the public on various aspects of gardening and include topics such as soil management, pest control, and crop cultivation.

HOME DEFENSE PLANS AT SCHUYLERVILLE

The local authorities in Schuylerville are making preparations for increased security measures to protect the community. This includes the installation of new security cameras and the formation of a community watch program.

NEW YORK NEARS CALL TO THE SOIL

The Department of Agriculture is preparing for the next agricultural season, with a focus on increasing crop yields and improving soil health. This includes the use of sustainable farming practices and the development of new crops suitable for the region.

EXAMINE SANITY OF SPY SUSPECT

The Department of Agriculture is examining the sanity of a suspected spy in order to assess any potential threats to national security. The investigation includes a thorough review of the suspect's background and any evidence of suspicious activity.

WEST WILTON

April 19th, Arthur James was declared the best 4-H member of the year at the West Wilton 4-H Fair. The fair is an annual event that celebrates the achievements of 4-H members in various categories, including agriculture, science, and community service.

Best way to refinish Buggies and Fords

This is the way: Wash all dirt, smoke, sap, and other dirt from the wood with warm water and soap; then paint with 1 part of white lead and 4 parts of sandpaper. Then you will be sure to apply an even coat.
