REY NATTRESS MASTER

SCHUYLERVILLE, Oct. 27—(The Boy Scout troop held its regular meeting Thursday evening. The meeting was attended by a large number of members and guests.

GREENWICH

FEWER SCHOOL DAYS

LOST DUE TO Colds

To PREVENT MANY Colds

The following rules were observed at the Greenwich School: No students who have had a cold in the last seven days are allowed to attend school. The students must be well and free from cold symptoms before being allowed to enter the school. The students must be well and free from cold symptoms before being allowed to enter the school.

To END A Cold Sooner

Dr. W. H. Smith, of Greenwich, has developed a new formula for the treatment of colds. The formula consists of a combination of herbs and minerals. The students must be well and free from cold symptoms before being allowed to enter the school.
